Pre-Commitment Weekend - 2026 Appeal

Flocknote

Next weekend, [Date], is our parish's Commitment Weekend. This is one of the opportunities for you to join me and your fellow parishioners in supporting the mission of the Church. Thanks to # participants, our parish is XX% of our \$XXXXXX goal! If you haven't already participated, or if you would like to make an additional gift, kindly take a special *Appeal* envelope home from Mass this weekend and bring it next weekend to Mass with your gift or pledge enclosed. We need to raise \$XXXX more to reach our goal, and I would be glad to reach it shortly after next week or by Easter. It would be a great testament to your stewardship and care of our archdiocese to share this accomplishment with our new archbishop. Thank you for your consideration. To participate simply respond to the *Appeal* letters, use the special *Appeal* envelopes found in our parish, or make your gift [online](#).
