

Where Generosity Meets Mission

Sharing Faith Through Action

Funded by the *Cardinal's Annual Stewardship Appeal*, the *Sharing God's Gifts Pastoral Grants Program* transforms donor generosity into local action. Grants empower parishes across the Archdiocese of New York to respond to pastoral needs through evangelization, faith formation, respect life initiatives, youth ministry, and culturally diverse outreach. The program is strengthening communities and inviting more people into a deeper relationship with Jesus Christ.

Helping Parishes Flourish

Every grant helps a parish respond to a local pastoral need. Whether forming disciples, strengthening families, serving mothers and children, accompanying young people, or creating welcoming communities anchored in faith, these grants help make our mission possible.

Cast Into the Deep

In Kingston, St. Joseph Parish are energizing practicing Catholics and inviting fallen-away Catholics to return to the Church through an invigorating, Eucharistic-centered environment. They provided weekly Catholic Alpha structured meetings and monthly worship services reinitiating Catholic Underground North.

Adopt a Baby

Assumption Parish in Peekskill created a new program in collaboration with Birthright to expand support for local mothers and provide pregnant women with gift cards for food, formula, essential baby items, and a layette bag. The program reflects Pope Leo's call to uphold life by caring for both mother and child.

Pastoral Center Programming for Evangelization

In Elmsford, Our Lady of Mount Carmel developed a broader community-centered mission at their Pastoral Center. They are offering Catholic evangelization programs to facilitate the educational and spiritual growth of community members.
